Education

2012

Ontario College Advanced Diploma - Game Development

Durham College, Oshawa, Ontario

2009

Ontario College Certificate - Foundations in Art and Design

Durham College, Oshawa, Ontario

Work Experience

Digital Extremes

Technical Artist

Full Time

Oct 2012 - Present

Worked with various level designers and environment artists on Halo 4 Crimson Map Pack, Spartan Ops Season 1.5 and Warframe. As the sole technical artist, my job roles are to solve level design issues, help optimize art, assist with CPU and GPU profiling, conduct R&D on issues that come up during the production cycle and to provide support to artists through tools and documentation on the engine.

Durham College

Mac Lab Assistant

Full Time

May 2011 - Sept 2011

Worked with the School of Media, Art and Design support team to install new Mac's in labs marked for the Evergreen project. I also helped out with imaging Durham College students MacBook laptops who were being phased out of the Mobile Learning Program.

University of Ontario Institute of Technology

Multimedia Developer

Full Time

May 2010 - Oct 2010

Worked with professors to create various learning modules for use within their classes. During my time here, I helped transition online learning material to a learning management system for the Dieticians of Canada. Edited PHP scripts to the client's needs and requirements. I also helped film video lectures for professors and created flash multimedia content.
