## Education

---

### Center for Arts and Technology (October 2014 – September 2015)

- Storyboarding
- Layout design
- Character design
- Digital and traditional animation
- Life drawing
- Skills in Adobe Photoshop, Flash, After Effects, Toon Boom Harmony

### Cuyahoga Community College (January 2013 – January 2014)

- Life drawing
- Drawing I&II

### University of Akron (September 2012 – December 2012)

- Graphic design

## Experience

---

### Yeti Farm Creative Studio

Three days of in-studio experience. Did basic posing in Flash while cooperating on the production floor.

### Final Project Production

Created a production schedule to complete a simulated gameplay trailer. Worked to stay on schedule and met important deadlines.
