Education

- Umdedalens Konstskola ,2014-2015, modern/fine art.
Mainly did sculpture and gesture drawing.
- Self studying, 2013-2014, digital painting.
I painted almost every day after a own made schedule that covered the whole day 8-12hours.
- Kronobergs Konstskola, 2010-2013, modern/fine art.
First year I learned was introduced to the basics of gesture drawing, sculpture and painting in different mediums.
Between, 2011-2012 I had a break from the school where I tried out computer graphics at LTU Skefteå although I quit the education after half a year.
Second year I mainly did oil painting and gesture drawing.
- Luleå Tekniska Unersersitet(LTU) , summer 2012, Écorché sculpture.
An intense summer of sculpture and anatomy training.

Work experience

- Concept artist at Demigod studios, May 2014-present.
Mainly designing environment both exterior and interior, but also some character and props design
I'm also leading the other two concept artists.
- Concept artist (short freelance) for Warbarons, April 2014.
Did redesign on a couple in game items images.

Skills

- Idea development

- Able to quick visualize ideas both traditional and digital
- Able to work on a multitude different subject to a various level of completion
- Traditional sculpture

Other information

- From a personal experience I seem to inspire people to be more creative, this of course doesn't apply for everyone I know/meet , but it's something I've noticed over the years.
- My English speaking friends says that my English is quite fluid speech wise.
