- Primary designer for international law firm, responsible for creating marketing collateral.
- Maintain legal practice publications, craft event invitations and posters, design web graphics, design sponsorship ads, and perform photo retouching.
- Correspond regularly with business development team, firm attorneys, and printers.
- Responsible for managing multiple projects simultaneously and keeping up-to-date records.

Freelance, Chicago, IL

Designer and Animator

Feb. 2013 – Present

- Design and produce graphics and 2-D animation for clients in various industries.
- Clients include Nielsen Catalina Solutions, McDonalds Corp., McKesson Corp., ChiTAG, et al.

Oh, Brother! Apps, Pittsburgh, PA

Flash Animator

Oct. 2012 – Oct. 2013

- Partnered with development team adapting nationally syndicated comic series Oh, Brother! to iOS.
- Produced Photoshop and Flash mockups of app design, UI, and functionality.
- Animated content with Flash and After Effects.
- Illustrated backgrounds for a 'Build Your Own Comic' section of the app.

National Network of Digital Schools, Pittsburgh, PA

Apps Creative Director

Apr. 2011 – Feb. 2013

- Spearheaded the adaptation of printed storybooks into storybook apps for the iPad, enabling sales in a previously unavailable market.
- Created prototype storybook app with no previous coding experience using Cocos 2D framework.
- Supervised all aspects of each project, including: concepts, prototypes, art asset production, illustrations, animations, interactive elements, sound gathering, and programmer guidance.
- Published 3 apps to the App Store in the period of November 2011 – June 2012.

Lead Illustrator

May 2010 – May 2011

- Drove creative direction for backgrounds and environments in 14 published paperback books for the children's educational fiction series *Tales of Midlandia*.
- Supervised a team of 3 offsite illustrators who assisted me.
- Utilized version control and project management software to collaborate with colleagues remotely.
