

# JUN COLLINS

MOTION GRAPHICS AND EDUCATIONAL ILLUSTRATOR |  
COLLINSJUN.CARBONMADE.COM

## ABOUT ME

I am a passionate artist who loves nature and going to the gym. I am interested in science and ecological issues. I enjoy everything that involves creating and discovering new things. My interest in this has taken me to experiment with many things such as makeup, prosthetics, 3D printing, photography, furniture building, cake decorating, sewing, sculpting, and many other things. I feel there are so many exciting things to try out and explore in the world.

## SKILLS

- Well versed in; Photoshop, After Effects, Illustrator, InDesign, and SketchUp
- Fluent in English and Spanish
- Drafting
- Goal oriented budgeting

## EXPERIENCE

## EDUCATION

### ART FUNDAMENTALS CERTIFICATE • 2014 • SHERIDAN COLLEGE

### BACHELOR OF ILLUSTRATION • 2014-PRESENT • SHERIDAN COLLEGE

- Completed Italian Culture abroad credit • 2016

## VOLUNTEER EXPERIENCE OR LEADERSHIP

In high school, I volunteered at my Tae Kwon Do dojo helping kids with their homework, planning craft projects and other activities for them. I also was involved in scouting from the early age of 8 years old to the time of my high school graduation. I spent grade 7&8 as a patrol leader and spent the entirety of high school as a patrol leader. I earned various achievement awards for my work and leadership skills.
