Experience

Eanes ISD | Austin, TX

Educational Technologist | 2016 - present

Train and support faculty in the integration of MacBooks, iPads, Apple TV's, Apple Classroom, iWork, macOS, iOS, and best practices. Work collaboratively with staff to create and revise courses, lessons, activities, assessments, and learning resources in a 1 to 1 iPad environment.

Fort Bend ISD | Sugar Land, TX

Educational Technology Specialist | 2013 - 2016

Conducted technology staff development, explored new technologies to further the integration of technology into the classroom, and developed courses to train educators. Supported campuses with iPad carts, and a BYOD methodology to enhance learning and student success.

South Garland High School | Garland, TX

Teacher | 2006 - 2013

Taught introductory and advanced Graphic Design classes. Sponsored the Technology Student Association culminating in 28 state champions and 15 national finalists. Nominated for Teacher of the year 7 years in a row.

University of North Texas | Denton, TX

Graphic Designer | 2004-2006

Delivered customer service to university and public clients for print and digital media with large format printing and post production mounting.
