PERSONAL INFO

Born on 5th august 1973 in Belgrade, Serbia; Serbian citizenship; marital status - single.

BIO

I've graduated at the Faculty of Applied Arts & Design in Belgrade at the department of Interior Architecture & Furniture Design. I've participated in many International and national competitions in the fields of design and architecture and won several awards. I've worked for the several furniture manufacturing and importing companies as an architect and head of architectural bureau.

I'm in the freelance graphic design field from 2004 to present, and I'm specialized in visual and print design. I've cooperated with companies such as: Ogilvy & Mather, ABB, Cassina, Knoll International, Alias, Museum of Applied Arts in Belgrade. I've worked for several publishing companies as graphic designer and as magazine art director.

Besides graphic design, I'm currently involved in book illustrations, matte painting and my ongoing role as an magazine art director of the Metropol Palace Hotel.
