Objective

My objective is to obtain the Bar Manager position at Monnik to utilize my years of industry experience and love for craft beer to serve the company and Schnitzelburg community.

Skills

I've been a manager and professional bartender for 9 years, focusing on craft beer for the last 4 years. I commit to delivering a consistent and enjoyable guest experience every time. I also focus on assisting in the growth of clientele, maintaining a welcoming environment for new guests. In addition to my years of experience behind the bar, I am also a talented graphic artist proficient in most all creative suites across most all operating systems, with a strong desire to continue to learn, to better myself and my environment.

Experience

Summit Beer Station, Bartender, Huntington, WV (2015 – Present)

- Ensured bar clients received quality daily service of craft beer and whiskeys at WV's #1 craft beer bar.

Sip Wine Bar, Manager / Bartender Huntington, WV (2012 - 2017)

- Managed day-to-day operations and provided training sessions to clientele and direction to bar staff as needed.

Black Sheep Burrito & Brews, Server Huntington, WV (2011 - 2012)

- Delivered prompt and friendly service to restaurant clients, ensuring a positive guest experience.

Rebels & Redcoats Tavern, Bartender Huntington, WV (2009 - 2010)

- Provided fast and friendly service to customers for a full range of beverages including cocktails, bottled and draft beer.

Stacks Media, Creative Director & Designer Huntington, WV (2007 - Present)

- Formed Stacks Media, a creative direction studio forming branding, design and web development for national clients.

Ramey-Estep Homes, Child Care Worker Huntington, WV (2004 - 2006)

- Working within a 24-hour residential treatment environment, I facilitated the rehabilitation of troubled adolescents, providing supervision and encouraging social and moral development throughout the course of their daily activities.

Amazon.com, Customer Service Representative Huntington, WV (2002 - 2004)

- Worked in an escalated department for exceptionally difficult customer issues, providing satisfactory resolutions for complicated problems and challenges.

University of Louisville, Web Developer Louisville, KY (2000 - 2002)

- Employed as a Web Designer and Course-to-Web Coordinator for the Center for Continuing & Professional Education, including a nine-month placement specifically creating online presentations for continuing education courses.

Education

University of Kentucky Lexington, KY (1997-2000)

- Bachelor of Fine Arts, with focus in sculpture and new media.

Marshall University Huntington, WV (2007-2008)

- Continued studies with a focus in education.
